Original Tale.

Written for the Nebraska Advertiser CHARLOTTE STANLEY,

BY TOM TURNIP.

That she's a flirt Who would believe, not I, for in deceiving Lies the dear charm of life's delightful drea I cannot spare the luxury of believing,

That's the verse that Frank Rogers turning from "seeing safe home," from a spelling match, his adored Miss Stanley, and likewise after hearing his ble, if any of the company had notic- us exhausted when the day's work brazen headland that looked down on old and weighs' older associates aver that she was-a ed it, but thy didn't.

Particular attention paid to manufacturing our cd the word "beautiful," in connection broke up, there was considerable conwith his sweet-heart, but when he wound up with saying, "are what they wound up with saying wou seem,"-that's the point I am going to "beaver" had somehow got mislaid .- size of a walnut. A paste or broth illustrate, and you can judge for your- He found it, though; in time to take a made of these before setting out in the self whether he was right there or station at the front door, in readiness morning, and distributed occasionally

her rosy face—the dimples on her cheeks were the play-ground of innumerable smiles; a set of pearly Saddlery, Boots & Shoes, Hats & Caps, teeth were enclosed by the resiest lips, the blackest of eyes looked love right straight into yours, and-well, she Also Furniture of all kinds, Window Sash, &c could just captivate any thing she wishhalf try.

> No wonder, you say that Frank was "taken in;" well yes, it was slightly to be wendered at, for she had "coquetted" several of his most intimate associates, and he might have taken warning, but "love laughs at opposition," and like- he recovered himself, and was soon en- last winter had been. We were close enough for us to scale the ice-cliff.— Four eggs, two handsful of flour, a last winter had been. We were close enough for us to scale the ice-cliff.— Ich of weest helf the enn full of mo-

and supped on the same airy food .-beautiful lands, crystal streams, etc., We ask not that of thee." where, he thought, if inhabited by himself and inamorita, would be a Paradise. Every sentence he parsed, contained scores of adjectives, such as good, wise, charming, inimatable, &c., which suited his case exactly. Figures seemed all the time endeavoring to calculate BRADFORD, McLENNAN & McGARY, how many impatient days must intervene ere he could "take her to his home and heart,", and his pen, more active

> than any thing else, busied itself in writing "love letters." Thus the winter passed away, and on the winding up of the school, when the parting scene came, a few tears half suppressed, added to the accumn-

lated interest. Long sighs were heaved, when she went away to boarding-school, the spring following. Pledges of everlasting affection, from both parties, prevented love "from growing cold," during the sultry summer, and when she returned in autumn, every thing "bowed before affection's sway." haughtily slighted all other admirers, scorned advances from all attempted suitors, and gave-so Frank thought her heart to him and him alone.

He publicly gallanted her to Church, o parties, etc., and every one in the settlement-so they said-knew that they were engaged. Frank's cup of joy was brim full, but-like the maid that "stumbled and spilt the milk"accidents might happen.

There was to be a party at the Stry of Lands for Settlers, and all others desiring village on Hallowmas Eve, and all the Hall the universe is but the cradle, and lead that might save us the painful ing account of the disjointed conver- into the depths of a by-past eternity, vited; they were not only invited, but their rudest life, are yet in value better, one and all, and such a gathering of merry hearts and happy gathering of merry hearts and happy Henry Ward Beecher.

I had climbed the ice-berg, and there was nothing in view except Dalrymple Rock, with its red brassy face towering in the unknown convenient stand, and tried to datch love." Soon shall the bridal-hour voices was seldom witnessed. As a OF Richardson county, N.
